## Describing Trends and Writing Hypotheses About Causes – Student Activity Set

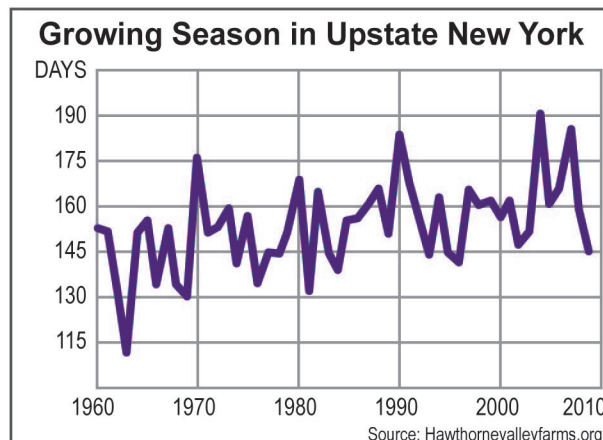

### Environmental Trends and Hypotheses - 5

Describe the trend on this graph.

*The frost-free or growing season has gotten longer, although there are year-to-year variations.*

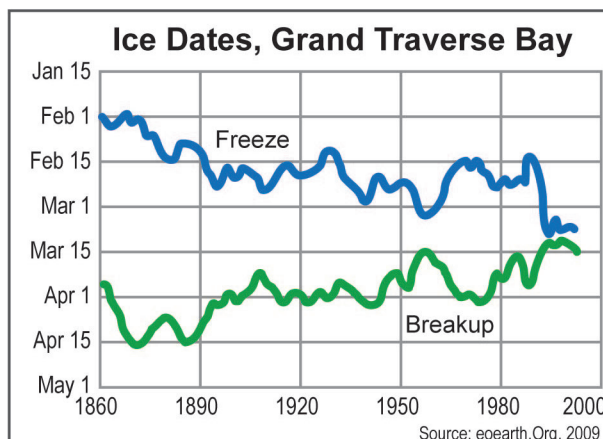

What do you think is the direct cause of the changes you describe?

*Generally higher temperatures make frost less likely in both late spring and early fall.*

Describe the trend on this graph.

What do you think is the direct cause of the changes you describe?

Describe the trend on this graph.
