## After the Conversation

**Instructions:** Review the questions on this page BEFORE you participate in the Community Conversation. Continue to think about them as you participate - both by talking and by listening. Fill out this reflection sheet when the conversation is over.

1. Other than the concerns you already identified for your character in the BEFORE worksheet, what other concerns did you hear about from other people?

List at least three.

---

---

---

2. Other than the ideas you had already identified for your character in the BEFORE worksheet, what other ideas for action did you hear about from other people?

List at least three.

---

---

---

3. Is it obvious from the conversation what steps and actions should be taken to slow climate change? Was there agreement in the group?

---

---

---

4. How hard will it be to mitigate (slow) climate change? Why?

**EASY**

**1**

**2**

**AVERAGE**

**3**

**4**

**DIFFICULT**

**5**

---

---

---

5. How hard will it be to adapt to climate change? Why?

**EASY**

**1**

**2**

**AVERAGE**

**3**

**4**

**DIFFICULT**

**5**
