## Mini-Poster: Obtaining Information

Answer the following questions on the table below:

1. What are the land uses on the mini-poster you are using?
2. Estimate the area of each use on the mini-poster. Use small, medium, or large\* to indicate the area of land.
3. Does your mini poster show other land uses? If so, add them to the list and estimate the amount of area they use.

Land Use Type	Estimate Area (small, medium, large)*
Agriculture	
Forests	
Open Space	
Lakes, Rivers, Streams	

- \* Small – about the size of your entire thumb  
Medium – about one half of the mini poster  
Large – most of the mini poster
